START YOUR OWN CHILD CARE BUSINESS

There's a shortage of family child care professionals, particularly culturally responsive and bilingual providers in Maryland. Maryland Family Network, Maryland Child Care Resource Network, and the Latino Child Care Association of Maryland have teamed up to help solve that with ***free resources*** to help you start your own child care business.

Growing Opportunities for Family Child Care (GOFCC) provides:

- **training,**
- **coaching,**
- **and resources.**

If you are interested in opening a family child care business, GOFCC can help. Participation is ***free*** and includes all of the required training, access to knowledgeable coaches, support through the licensing process and many other resources to help you open and operate a high-quality child care program.
